Accessible Online Therapy Programs

1

COURT ORDERED SERVICES INFO

court-ordered programs, which are evidence-based, court-certified, and fully aligned with Batterers Intervention Program (BIP) standards. The process begins with a referral from a probation officer or the client, followed by an in-depth assessment.

2

SUBSTANCE ABUSE EDUCATION PROGRAM

We offer a 12-session Substance Abuse Education Program designed to support individuals in understanding the impact of substance use

3

INTENSIVE OUTPATIENT PROGRAM (IOP) – DRUG AND ALCOHOL USE

A structured 15-week Intensive Outpatient Program (IOP) for individuals seeking recovery from drug and alcohol use. Our IOP combines evidence-based counseling, and peer support

4

SHOPLIFTING PROGRAM

Offers a safe, supportive environment for participants to explore the emotional, psychological, and situational factors behind their actions. Through a combination of education, skill-building strategies, and therapeutic support

5

JOHN SCHOOL PROGRAM

Participants address sex solicitation and human trafficking through education and self-reflection. They learn about the impact of exploitation, understand the root causes of their behavior, and develop healthier habits
